

To FCCIt is high time that all phone companies, especially Cellular include all thier hidden fees in the cost of the monthly contract so an every day person can just look at the

rates offerred and make thier descion based on the cost.

And not find out untill the first bill that there are 5-7 dollars more added in under so called user or regulatory fees.

When I got my phone plane I was told 59.95 plus taxes, my billis alittle

over 70.00 with thier so called fees.
